Living Stewardship Now

One of the best ways everyone can be a good steward of what we receive is conservation of resources at home, in the work place and especially here at church. Some easy ways to conserve resources when at OLC include turning off water and lights when not in use, keeping exterior doors closed (do not prop them for any reason), keeping the thermostat as the set temperature, and following the posted rules for the space you are using. Doing these important things helps us be good stewards by keeping our parish family and guests safe, the utility bills low, and showing respectful for those who share the space.

*Thank you to all those who donated towards the 2017 Easter Flowers
