Priest Retirement

Your September 2nd issue of the *Catholic News Herald* features articles and information on the Priests' Retirement and Benefits Collection. Please take the time to read these articles so that you can be better informed about the retirement and benefits plans. All registered families should soon receive information in the mail from Bishop Jugis. Please respond generously to the second collection on September 16-17.

The OLC assessment for 2017 is \$16,727.00. This year a monthly envelope was added to the giving packets for each 4th Sunday to help meet our goal with this collection. To date we have collected \$5,987.38. Please consider a donation to this collection which benefits the priests who have served so faithfully over the years.

Reflection**.BE A ROCK**

Peter's history as a follower or friend of Jesus is a bit spotty. It might be natural to wonder if Jesus, in giving him the keys to the kingdom, didn't feel a bit like a parent giving a teenager the keys to the family car. But it was at the moment when God's power and presence broke through everything else to raise up Peter's great profession of faith in Christ as Messiah that Jesus chose to establish the bond between the

loving, forgiving mercy of heaven and our vocation to be witnesses of that love, mercy, and forgiveness on earth.

Like any parent, Jesus no doubt foresaw the failings, the irresponsible maneuvers or impaired senses, the collisions that the church would be headed for. But, most importantly, he also saw us at that moment as God prefers to see us: capable of manifesting great faith, with a willingness to remain at the feet of Christ to understand what it truly means to be Messiah and Christ. As the letter to the Romans points out to us today, we have not known the mind or the wisdom of God, but God knows us and still chooses to manifest the reign of justice, joy, beauty, and peace through us. Let this be our vocation. Let us always strive to be solid ground on which the church of Jesus Christ can be founded and on which it can continue to be built.
