**Wisdom**

We consider wisdom today. The first reading from the book of Wisdom presents this precious gift as a feminine spirit, a very desirable virtue sought by many and graciously present to all who seek her. In today's Gospel, Jesus tells a parable to illustrate wisdom in a practical, measurable way. The wise will conserve their resources, use them prudently, and mark the passing of time. The foolish, on the other hand, not planning ahead, will be in the dark. Both of these readings tell us how accessible wisdom is to all who simply and honestly seek it.

Paul's words to the Thessalonians are not about wisdom, but describe one result of true wisdom: To the wise person of faith even death holds no terror. Our faith in Jesus' resurrection tells us we will all one day rise to new life in Christ.

**Why do we sing during Mass?**

The Christian faithful who come together as one in expectation of the Lord's coming are instructed by the Apostle Paul to sing together Psalms, hymns, and spiritual canticles (cf. Col 3:16). Singing is the sign of the heart's joy (cf. Acts 2:46). Thus St. Augustine says rightly, "Singing is for one who loves," and there is also an ancient proverb: "Whoever sings well prays twice over."

Great importance should therefore be attached to the use of singing in the celebration of the Mass, with due consideration for the culture of peoples and abilities of each liturgical assembly. Although it is not always necessary (e.g., in weekday Masses) to sing all the texts that are in principle meant to be sung, every care should be taken that singing by the ministers and the people not be absent in celebrations that occur on Sundays and on Holydays of Obligation.
